backed by Dr. G. C. McGregor, one of our SELLS THE BEST most su cessful citizens and his name in connection with this new enterprise should satisfy our farmer citizens there is more "plow than talk." Mr. Baucum left for the north on the 26th plow. We teel warranted in assuring our i rmers that the n-w circula sulky cess in his new enterprise. MR. S. C. BAUCUM, DEAR SIR-YOUR circular sulky plow is certainly a great success. Mr. Willis came to my firm on

Tuesday, the 14th instant, and told me

that you had invented and parented a cir-

cular plow that would turn the black. waxy land and proposed that I should try it. I told Mr. Willis I had not time, as I

was very much behind with my work. He then said, "Mr. B accum proposes to make a great improvement on plowing this kind of land, and it in trying it you lose time I will pay you eash for your time." Upon this promise and the hope of seeing a plow shed the black wax. I went to town and brought the plow out and put it to work upon the farm of my son, who was plowing a wheat stubble in very bad ier, and of the stickiest kind. He had been plowing with a Cummings plow to three inches deep, making his round in about thirty-five minutes and stepping account of an unfortunate German wo-man wandering about the streets, una-ble to make known who she is or where she came from, etc. Thinking it might possibly be Mrs. Lydia Findly, whose husband and three of her children died at this place in 1877, I take the liberty of addressing this note to you, hoping of addressing this note to you, hoping that if it is her that it may give a clue as to who she is. After the death of her husband and children she went back to Somerset county, Penn., where they twelve minutes and doing more than came from to Texas. I carried three times the work in the same her to Waco and assisted her time. He used the plow four off on the train, obtained her ticket to Pittsburg from Mr. Trav. Jones, that being the neares point to where she cheerfully make this statement, as after

THE STATE OF TEXAS. \ No. 3638.

Reuben Ross vs. G. W. Birchfield and F. To the Sheriff or any Constable of Mo-Leanan county, greeting : Whereas, outh has this day been made

before me that the residence of F. M Bireafield is unknown to afflant, so that Aquilla on on the evening train.

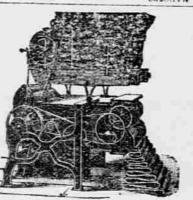

Capt. J. P. Moore, of the Missouri Pasteved upon him, you are hereby com-, left his well-known scratch on manded that by making publication of this election in some newspaper published Mr. H. M. Hook, of Coleman's Rural in the county of McLennan, once in each week for four consecutive weeks previous Mr. H. M. Hook, of Coleman's Rural World, St. Louis, called on the Examiner last evening. He is a guest at Rojer's and leaves this morning for Corsleana to deliver the papers containing the write-ups of that city and county.

Week for four consecutive weeks previous to the return day hereof, you summon the said F. M. Birchfleid to be and appear the said for the court to be holden in and for the county of McLennan, at the court house thereof, in the city of Waco, on the first Monday in May, 1882, then Our young friend, Mr. M. C. H. Park, leaves this morning for eastern Texas via Houston, as agent for the American Reciprocal Aid association, of Texarkana. If, in his travels, any one desires to know the Mr. Park is the recognition of the part of the period of the per who Mr. Park is they can write to any citizen of Waco and find that he is a young man of undoubted hategrity, sustains a high moral character and is an in telligent, honorabic gendeman wherever 21st day of June, 1878, and is made payfound. In presenting the merits of the days and will cheerfully explain is objects to all who apply. He wants some good agents and the right man can get good wages, and he was taken out of the water. By the best of good to be the property of the water inck he received no injuries, except on the arm, which was at first thought to be broken, but upon examination, it was be broken, but upon examination, it was r. ceived, and is made payab e on or before

Continsion in Camp.

The sporting men of the city had their indignation raised to the highest yesterday at one Jack Morris, whom they charge with having conspired with two Chicago sports to win their money by foul means. It appears he has been in the city for some time and ingratiafed in the city on the 21st of April the whole, fix was remarkably lucky, even in bad luck. So far, no serious accidents have occurred on the Narrow Gauge bridge, but we had enough on the Missouri Pacific to do for both, and complete the undersigned committee to extend through the public journals, an earnest and cordial invitation to every veteran to be present. Transportation on the south fork of foreclosure of his lien on the above mentioned three tracts of land, and that they be sold according to law to satisfy said

judgment. Defendants are notified to produce upon the trial of the case the Rupus C. Burleson. : original deed of courty and land, or a ceroriginal deed of conveyance of the above tified copy of the same will be used in evidence on the trial of the case. Herein fall not, but have you then and there before said court this writ with you return thereon, showing how you have
